SPECIAL  
COLLECTION

The memory of Dr. Reginald M. Shaw will roll on in our hearts like his mighty Columbia—forever. To this memory we humbly dedicate the 1952 Hyakem.

Dr. Shaw was a man slight of structure, but gigantic of heart. He will ever be remembered by students and faculty alike for his generous, sincere nature.

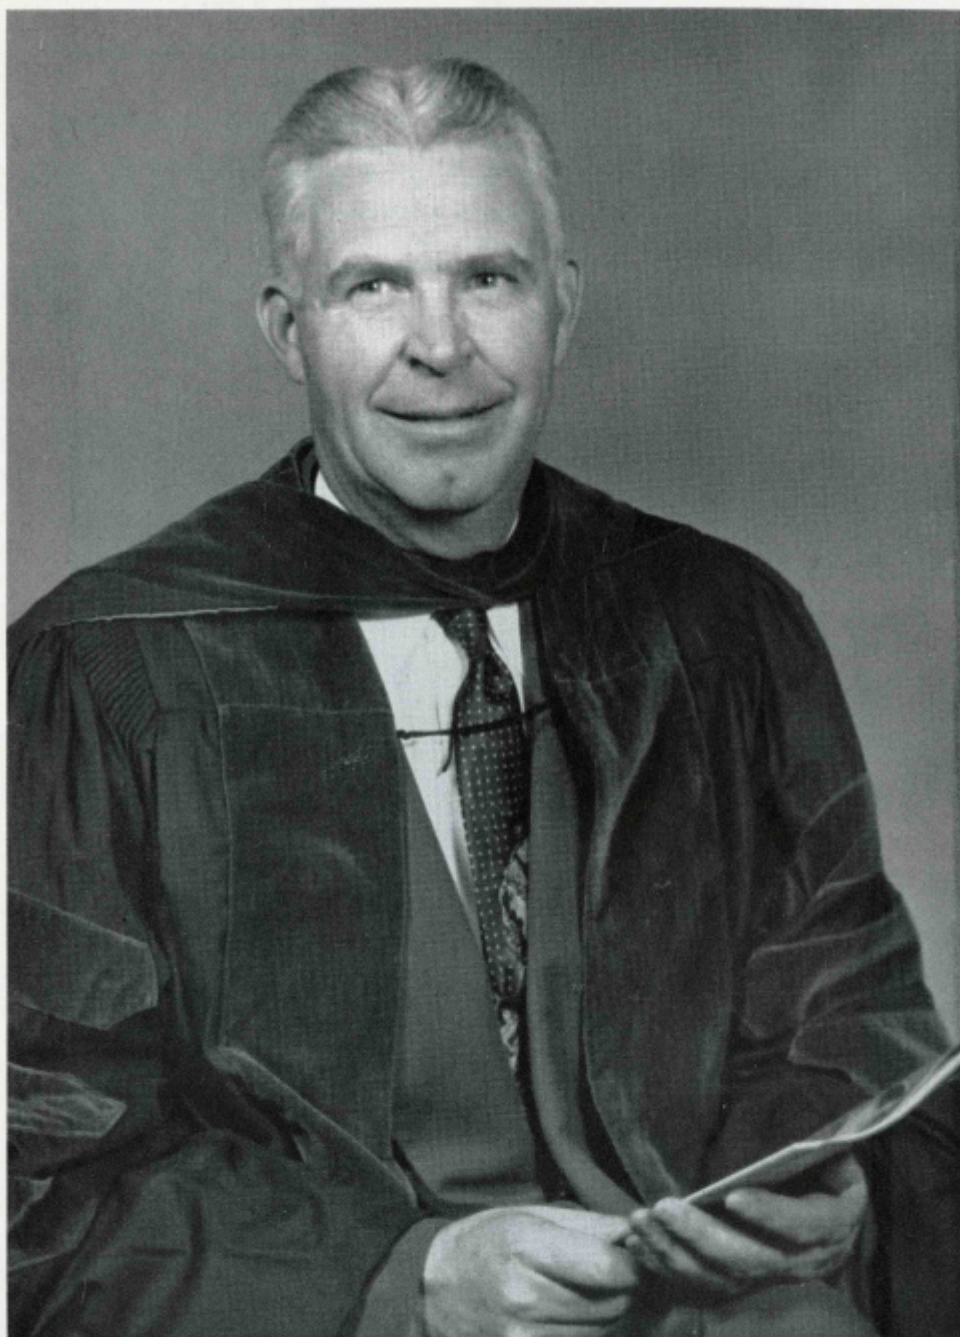

His classes embodied a learning far beyond the realm of fact; they embodied a philosophy of life. A philosophy reflecting the interest he held for mankind: the companion, the individual, the friend.

Dr. Shaw's life was dedicated to service to his fellow man. With his subtle, kindly humor he made friends wherever he went, and wherever he went he added a little more heart to mankind.

Few realize the tremendous amount of work done by Dr. Shaw in his years at Central, but all who met him remembered: remembered his love of man; remembered the gentle smile; remembered the pat on the back; remembered the understanding eyes; remembered, yes, and will remembered, always.

## President's Message

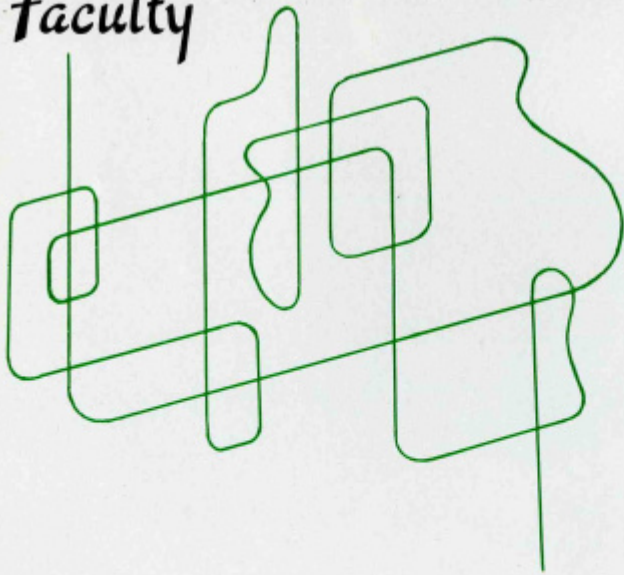

I sincerely hope that each student has gained a quality at Central this year that will be of value to him as long as he may live—something that will be a force in his life. Among such qualities may be a greater vision about human welfare, a greater zest for living, a greater ability to get along with others, a greater ability to serve humbly, a greater ability to be good company for oneself, and a wider knowledge of human and natural phenomena.

Our country will continue to need leaders both in civilian life and military life. We hope that Central will furnish its share. In both areas there is a need for educators, philosophers, scientists, physicians, engineers, architects, economists, nurses, and many others. In addition to leadership in a calling, a worthy objective is to be a good parent to one's children. May all of you succeed as a leader in some field of service and in your homes.

The Hyakem leaves with us a record of our activities for a full college year—activities and associations which may have improved our personal qualities. We are all grateful to the Editor and her staff for their careful work in editing and publishing this 1952 volume. We will keep it as a valuable record of a busy year.

## Dean of Men

Someone once said, "Some college students grow, others just swell." I can testify that I have seen a great deal of the former and little of the latter.

To me this has been a year of growth at Central, but also a year of great sorrow. Although we are all saddened by the loss of a good friend, that love of man he exemplified is present all about us. That good will be generated so easily has left its mark on all of us. We will miss his wit, his smile, and his patience. But I am convinced that we are all a little better for having known him. Let us all try a little harder to work together, understand our fellow man, cultivate other points of view, develop new interests, and pledge ourselves to greater service. I think "Reg" would like that.

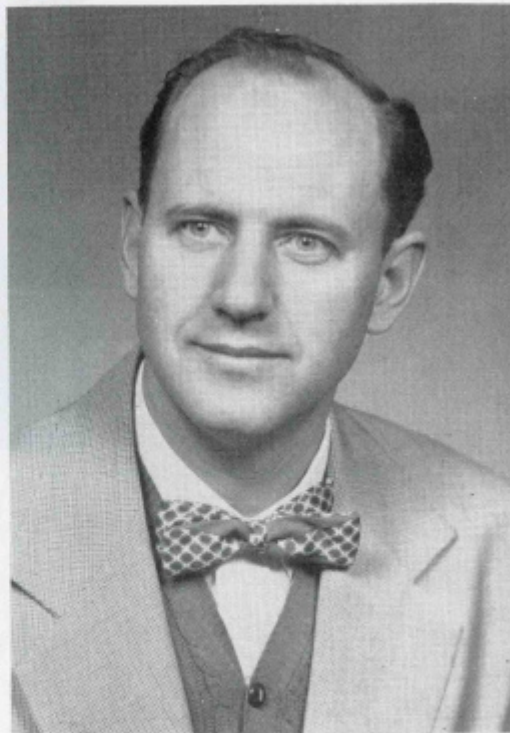

To have been a part of this new growth is gratifying to me. As we look ahead to new goals, new experiences, and new fields to endeavor, let us not forget this year at Central. Let us look ahead with a feeling of accomplishment. To those of you who will not be returning may I extend my sincere good wishes for every success. May you always have a feeling of belonging. For those of you who will be returning in the fall, may I say let's not rest on our laurels, but proceed to build a finer, more wonderful SWEECY!

## Dean of Women

Here again is your Hyakem. It is your album of recordings which will serve to perpetuate the happy memories of your college days. Within these pages you will find pictures and paragraphs to record for you the fun and friendship which are such an important part of undergraduate life.

A relatively small group of students — the Hyakem staff — have sacrificed much time and energy to make this fine book a reality. One cannot browse through these pages and relive experiences of the past year without feeling deeply grateful to the students who gave so generously of their time and effort to make this yearbook a reality.

The 1962 Hyakem will be especially cherished by many students and faculty members because it is dedicated to a great teacher. Although Dr. Shaw never lived to turn its pages, he lives on in the hearts of his students and colleagues. His life is embodied in the very fiber of our college to which he gave the full measure of his devotion and service. We shall never forget his kindly humor, the warmth of his friendship, the nobility of his character. He was truly a great teacher.

Maurice Petit, Dean of Men

# Administration

The administrative body at Central has an important job to fulfill on campus.

The duties of this body range from the enrollment of the student to the placement of the graduate. Without the aid of the administrative department the student would be left to flounder along the best he could manage.

The student learns as soon as he enters college that the services of the administration are extremely necessary as a part of the college scene.

## Senior Class

In the fall of 1951, the Senior Class elected officers to preside during the school year. Those elected were Bill Case, president; Marilyn Dreher, vice-president; Joanne Wagner, secretary; Harry Swanson, treasurer; and Dave Maxwell and Nita Peterson, social commissioners.

During fall quarter the class planned and gave a skit for Homecoming stunt night. During winter quarter they sponsored the annual Snow Carnival. Spring quarter was spent making plans for graduation activities.

## Junior Class

Dave Baker was elected president of the junior class for 1951-52. Officers serving with him were Monte May, vice-president; Marilyn Kilgore, secretary-treasurer; and Barbara Clark and Dick Gilbert, social commissioners.

Homecoming activities were the first things in which the junior class participated. Their skit, patterned after a melodrama, won second prize on stunt night.

The chief activity of the year was the annual junior class Barn Dance. The gymnasium was transformed into a barn with animals, hay, and fences decorating the room. Highlight of the dance was the awarding of the prizes for the beard growing contest.

The junior class also sponsored a junior-senior picnic in the spring.

## Sophomore Class

Gary Springer was elected president of the sophomore class at the beginning of the year. Other class officers elected for the year were Marshall Keating, vice-president; Marilyn Green, secretary; Marian Sneve, treasurer; and Bud Kuhlman and Yoshi Yonekawa, social commissioners.

The sophomore class took part in the Homecoming festivities. The class sign received first prize. Jane Deaver and Ken Wilson were co-chairman of the sign committee and with the committee's help did a fine job, one that the class could be proud of.

The Cupid's informal, sophomore class tolo, was held in February with Bob LeRoux's Combo furnishing the music. Lillian Luther was in charge of decorations, which followed the comic theme and added much color to the dance. The highlight of the evening was the crowning of Rich Preston as King Cupid by Dean Hitchcock.

During spring quarter an all class picnic was held at Vantage.

All in all, this was a very successful and eventful college year and we'll look back with many fond memories.

## Freshman Class

The freshman class of 1951-1952 was organized under the leadership of Bob Wilcox, president. Bob was assisted by Paul Schumann, vice-president; Jeanne Peterson, secretary; and Alfred Gonzales, treasurer. The election of these officers was held at a meeting called by Len Oebser, SGA president, to give the class a start after they had completed orientation and registration, which were information-packed, perplexing hours of waiting and listening.

The green beany was the mark of a "frosh" until Homecoming and the tug-of-war between the freshman and sophomore boys. The beanies were discarded even though the freshmen lost the competition. "Cocktails for Two" was the theme used in decorating the Homecoming float. It was a prize-winning job and the award of second place was given to the class.

After Homecoming the class took a rest until the middle of winter quarter when a meeting was held to discuss a freshman social function for spring. Among the suggestions was a "Sadie Hawkins Day." This idea "clicked" with everyone, and, as it was leap year, the theme seemed appropriate. The steering committee, lead by vice-president Paul Schumann, formed the plans and numerous committees carried out the details for the big day with the climax occurring at the dance in the evening.

The AWS council is a representative group made up of the elected officers, the presidents of all the women's organizations on campus, and the advisors. Spurs, the national service honorary for sophomore women, is sponsored by AWS.

The officers for AWS for 1951-1952 were Norma Symmonds, president; Frances Isberg, vice-president; Edith Beasley, secretary; Barbara George, treasurer; Billie Fykerude and Beverly Millar, social commissioners; and Merle Trimble, courtesy chairman. Mrs. Hitchcock and Miss Mathewson were the advisors.

At the beginning of school in the fall the council sponsored a welcoming party for all the students and the faculty. In December, snowmen and huge Christmas trees transformed the gym into a winter fairy-land for the annual Sno-Ball Tolo.

Sharing honors with the dance during December was the Deck-the-Cub Party. Students sang carols and munched pop-corn and apples as they decorated the Union building in true holiday style.

The arrival on campus of Leela Deshmukh of India was the occasion for a tea in her honor in February.

The council later sponsored her at an assembly.

The Mother's Day Week-end was the big event of the spring. The mothers visited the campus and were treated royally by their sons and daughters at a variety of interesting activities.

## Hyakem

As you browse through the pages of the Hyakem you will see many names and faces. It is our hope that in the future years as you again thumb through these pages and run across these similar names and faces you will remember activities, accomplishments, triumphs, and friendships that were your own during your years at Central.

It is the hope of the Hyakem staff that we can embody such memories in these pages. If we have succeeded, then the work that went into the making of the book was truly worthwhile.

Between the Christmas parties and end-of-the-quarter activities, the girls found time to practice for the choral competition and for the second year took top honors. After the big game, Sue had an open house and a coffee hour which was well attended by former Sue girls.

Christmas festivities brought fall quarter to a close. A special late leave was arranged, and Sue girls sang carols for the various dormitories, as well as participating in the choral competition. In addition to a large Christmas tree, the dorm was brightly decorated, and everyone enjoyed the Christmas party at which gifts were exchanged.

"Sue's Tea," a private fireside to which North Hall was invited, proved to be a huge success. The guests were entertained with dancing, cards, and other games. In February, Sue again had an open house.

The annual Valentine party proved to be a lot of fun, and each girl was presented a big, heart-shaped cookie with her name written in red frosting across its front.

## A. C. E.

The Meisner branch of the Association for Childhood Education was founded at CWC in 1938. It was originally made up of students interested in kindergarten work, but now has in its membership people who are working with children in primary and intermediate grades. Clara Meisner, in whose honor the Central branch was named, served on the teaching staff at CWC for many years and is noted as a pioneer in the kindergarten field.

Aims of the Meisner group are to raise professional standards in teacher preparation and to develop an understanding of and the ability to meet the needs of children. During the past year the group presented speakers and panel discussions at the regular monthly meetings, centered around the theme "getting ready for my work." As a special part of each meeting members prepared teaching aids — a song, game, or story — to share with each other. During Homecoming, ACE prepared a sign which won second prize.

## W Club

The crimson W club was created on the Central campus for the purpose of bringing together in one group all letter winners in varsity sports.

The club, following tradition, again selected the Colonial Ball Queen, and also sponsored the Varsity Ball.

Programs for football and basketball games were again sold by members of the W Club.

## Spurs

The Spurs, national service honorary, had its beginning on the campus during the winter of 1949. The purpose of the group is to promote school spirit, support all activities in which the student body participates, foster a spirit of loyalty and helpfulness among the women of the college, and to up-hold all of the traditions of the college.

Activities for the year were serving at the SGA Welcoming tea; a dance, "The Apple Jig"; a skit for Homecoming; serving as hostesses for the Homecoming banquet; registration of alumni during Homecoming; ushering at Community Concerts and all-college plays; assisting at the Choral Competition and the Nativity; a dance, "Dutch Treat"; and serving refreshments at commencement.

Several Spurs also attended the regional conference in Walla Walla in the fall. During winter quarter all members spent an enjoyable evening at the home of Miss Janet Lowe, club advisor.

During winter quarter, the organization held several joint meetings with Alpha Phi Omega. Also, during this quarter, the club made fudge and sold it as a source of funds for the Heart Fund.

During May, new Spurs were tapped and initiated.

## *Pep Club*

The Sweeny Pep Club was formed several years ago, with one main purpose in mind—that of instilling pep and enthusiasm in the students at all athletic contests held here at Central.

The Pep Club girls have been very active this year. They sold cocoa at football games; took part in halftime entertainment at the Homecoming game; made pom-poms for the caravans to Cheney and Wenatchee; wrapped the goal posts for the Homecoming game; and put on a dance during spring quarter.

The girls also organized a drill team, which was led by Pat Dunlap and Pat Hendrickson. This drill team took part in the Homecoming parade, and drilled at the home basketball game between Central and Eastern.

The officers were Charlene Rhodes, president; Frankie Kordes, vice-president; Pat Hendrickson, secretary; and Leona Panerio, treasurer.

The Pep Club uniform consists of a red sweater, with the emblem "W" on the front, and a black skirt. Again this year, the girls followed the tradition of wearing their colorful uniforms every Tuesday.

## Yell Leaders

The yell leaders this year were Tom Knudsen, yell king, and the Gregg twins, Beverly and June.

Tom is a senior majoring in art and hails from Bothell. He was already quite familiar with the work of yell leading, as he had been a member of the team during his freshman year. Tommy is a member of Kappa Pi and, also, of Maskers and Jesters.

Beverly and June are both freshmen from Kelso. The twins were song leaders during their freshman year at Tolt High School.

The yell leaders this year were assisted by a new and permanent member of the yell staff. This new member was Tuffy, the CWC mascot. Tuffy, a frisky wildcat, was donated to the college by Bob and Steve Kerpan and immediately proved himself a great favorite with the fans.

## Whitbeck-Shaw Club

The Whitbeck-Shaw Club was organized on the campus in 1935 for students majoring in geography. Its name honors Ray Hughes Whitbeck, long-time teacher and friend of students at the University of Wisconsin, and Dr. Reginald Shaw, late professor of geography at Central, whose death this year saddened Club members.

Fall quarter at monthly meetings, the Club enjoyed Vreny Krammers of Switzerland as she described her country; Dr. Howard Martin of the University of Washington, who told of his research in Port Churchill on Hudson Bay; and the traditional Christmas carol sing, at which Maxwell, Christie, and Margaret Gates had their puppets tell the French Fairy tale, "The Three Wishes."

Winter quarter, the programs included two illustrated talks by Ellensburg residents, one by Mary MacLennan on Scotland; another by Leonard Trayer on Portugal.

Spring quarter, the group sponsored the "Globetrotter's Ball;" saw slides on New York City, which were shown by Reino Randall; and held the annual Sweeney Day pancake breakfast in the city park.

Co-president's were Maurice King and Ray Smith, fall; Don McLarney and Norma Savage, winter; and Herb Lincke and Harold Nelson, spring.

## Industrial Arts Club

Membership in the Industrial Arts Club includes all majors and minors in industrial arts who are interested in the promotion of industrial arts education. The organization was formed in the fall of 1949.

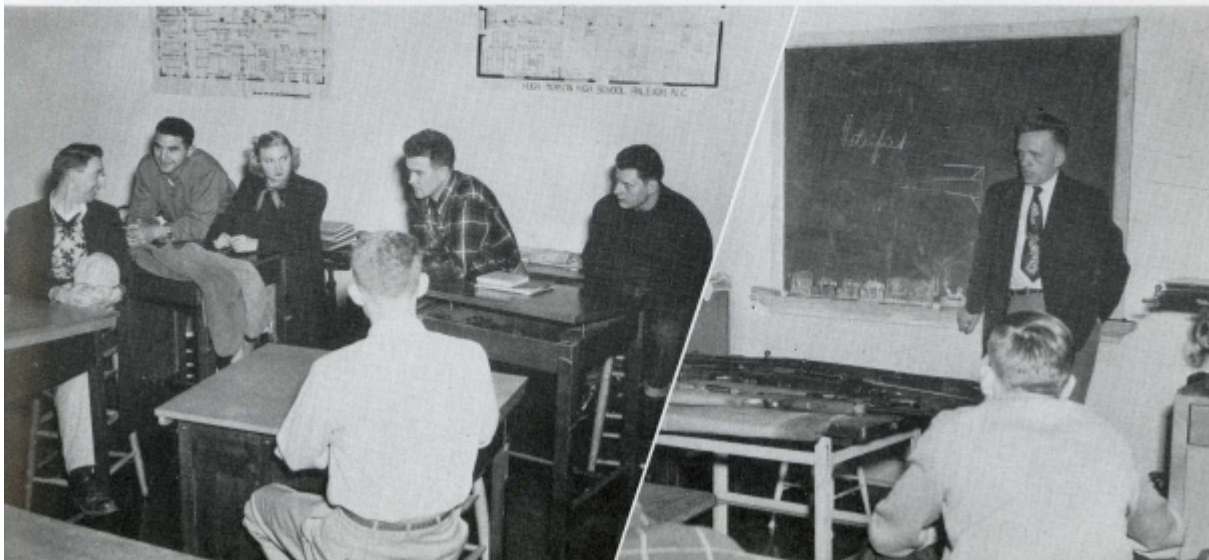

The club held its annual club picnic in May at Taneum; sent several members to the Washington Industrial Arts Association meeting in Yakima during spring quarter; and sponsored a social hour for visiting teachers during summer quarter.

The officers for the year were Don Hedrick, president; fall; Benny Daniels, president, winter; Harry Swanson, president, spring; Fred Ronhaar, secretary; and Wallace Auty, treasurer.

## Sigma Mu Epsilon

Sigma Mu Epsilon, Central Washington College's music honorary, was formed on the campus in 1936. The organization was created for students interested in music, and is open to music majors and minors of sophomore standing or above.

Sigma Mu activities for this year have been the initiation breakfast for new members, a Homecoming float, ushering and serving for musical functions, and attendance at the recital given at the high school.

The officers for the year were Marion Routh, president; Dean Thompson, vice-president; Joanne Wagner, secretary-treasurer; Bob Winters, historian; Don Francisco and Dale Newby, social commissioners; and Mr. Henry Eichoff, faculty advisor.

The Women's Recreation Association was first organized in the late 1920's. The purpose of this organization is to give women an opportunity to participate in recreation and to meet others who are also interested in the same field. It also provides the opportunity to develop leadership and sportsmanship through competition.

The activities of this year were volleyball, basketball, softball, tennis and badminton. Aside from the major activities, the club sponsored a weekend camping trip, several hikes, firesides, fall and winter initiation, and a banquet.

The officers, with the advisor, who worked to make this a successful year were Ann Vowles, president; Doreen Springer, vice-president and treasurer; Barbara Heidegger, secretary; Margaret King, social commissioner; Marcia Laughbon, sports manager; and Pat Thomson, assistant sports manager. Miss Jess Puckett was advisor for the organization.

## Football

Central's team this year played seven games, but managed to win only one of those. The team's difficulty stemmed mainly from a lack of experience. But this lack of experience did not alter the drive, spirit, or courage to fight displayed by L. G. Carmody's squad.

The first game of the season was with Pacific University with Central coming out on the short-end of a 20 to 0 score. The only Central touchdown, a break-away run by Louie Benville, was erased by a penalty.

In the conference opener, the College of Puget Sound took the advantage to score a 20 to 6 victory over the fighting Cats. Two passes by John Cavallini, three line plunges by Jim Miller, and another plunge from the one foot line by Bob Propst accounted for Central's only tally.

The Cat's third game was with the powerhouse Pacific Lutheran squad during the Lute's homecoming. The determined eleven scored a 25 to 0 triumph over Central despite a fighting second half by the Wildcats.

Central's only victory came in the game against Whitworth. The Cats came from behind the Pirates in the second half to win 19 to 7. Two of Central's scores came on intercepted passes, one climaxed by a 55 yard run by Bob Hibbard.

Another homecoming game proved the downfall of the Central squad. This time at the University of British Columbia, where the Thunderbirds scored a 20 to 12 win over the Cats. Central's two touchdowns came on an intercepted pass by Don Rundle, and a line plunge from the 5 by Bob Propst.

At muddy Woodward field the Cats met the Eastern Savages, only to bow again by a score of 25 to 6. The Cat's score came on a line plunge by Ted Lea.

Central's Homecoming game also proved another disappointment to the hard-fighting squad with Western's Vikings racking up a 33 to 7 thumping. A poor first half gave the Vikings all but one of their touchdowns.

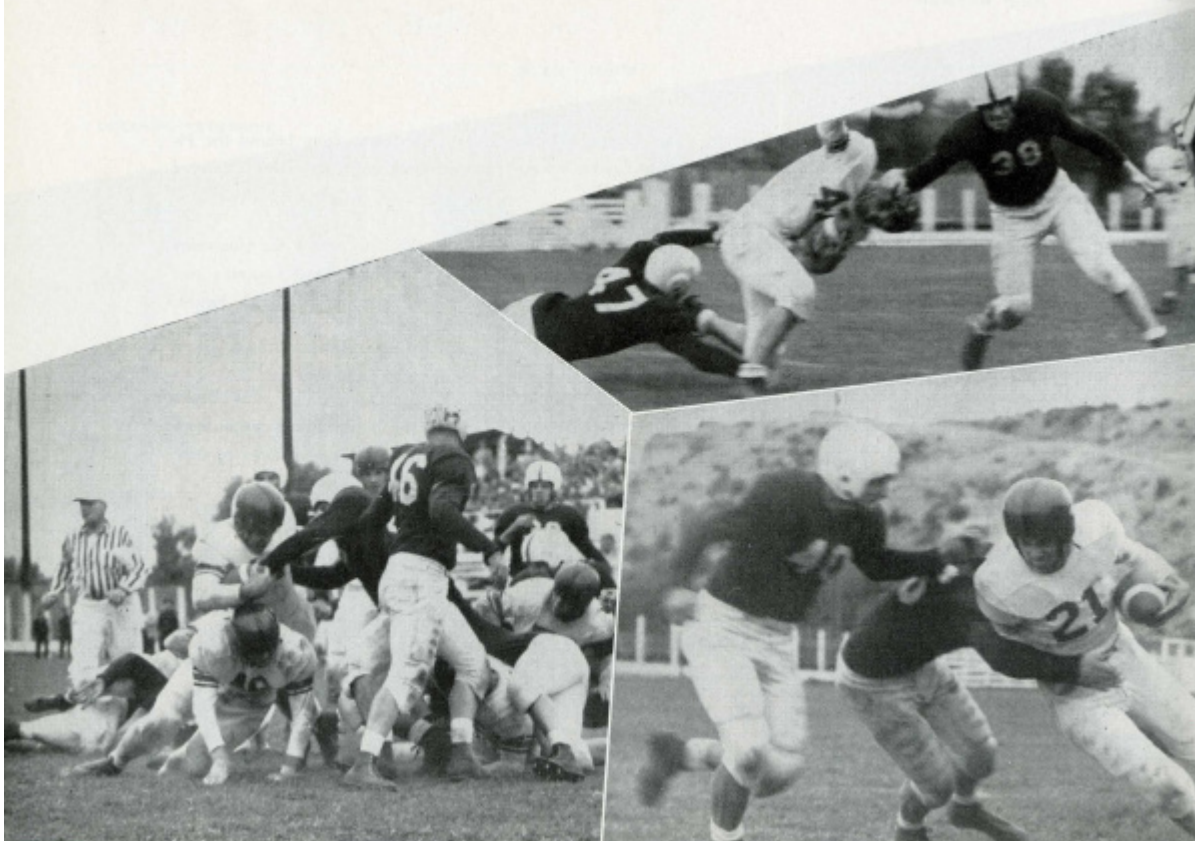

## FOOTBALL HONORS

On the honor roll of the Central football team this year are five names. Not a one of these names will be hard to place or remember, each of the men deserved the honor paid to him.

Ted Lea .....	Honorary Captain
Bob Propst .....	Inspirational Award
Newt Kier .....	Outstanding Blocker Award
George Katalinich .....	Outstanding Freshman Award

## Basketball

Coach Leo Nicholson's cagers were the surprise basketball squad in the Pacific Northwest in 1952. The Wildcats boasted 17 wins against 11 losses, a 9 won and 3 lost second place conference record, a 10-game winning streak, victories over powerful league rivals, and near victories against Washington State and the Johnnie O'Brien-paced Seattle University Chieftains.

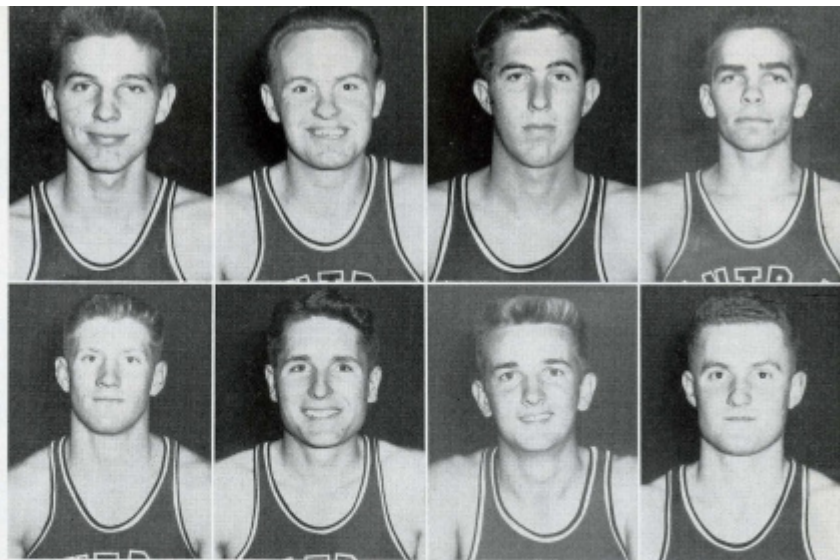

The Wildcats started the season with consecutive losses to Gonzaga, Whitman, and Seattle U., but found a scoring punch in six-foot, six-inch Ken Teller and evened their record at 5 and 5 before the conference race began.

In the Seattle U game Central led as late as the third quarter, and held All-American Johnnie O'Brien to one of his lowest totals of the year—18 points.

Central got off to a fast start in the Evergreen race by winning seven straight conference games, including an over-time game against Whitworth, the eventual titalists, and a one-sided upset over Pacific Lutherans. The Wildcats added two victories over St. Martins, and one over Seattle Pacific to round out a 10-game victory streak.

The winning streak came to an end when the club traveled to Cheney. The game was nip-and-tuck until the final minutes, but Eastern pulled ahead to win, 67-59.

The following night, the Cats moved to Spokane for a game with Whitworth. The Pirates got revenge for the overtime game at Ellensburg by trouncing Central, 83-36, and taking over first place in the conference standings.

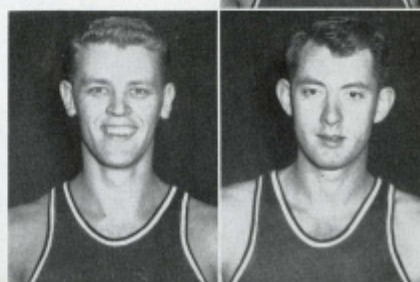

The next week-end saw Central losing to PLC, 73-59, but finding themselves again at Wenatchee to give the WSC cagers a scare before going down with a 41-45 loss. The Wildcats again got back to their winning ways by trouncing British Columbia, 65-50, and Western, 69-43, to clinch second place in the standings, and a trip to the NAIB playoffs at Cheney.

Gonzaga was picked as the first Central opponent in the tournament. Nicholson's Cats held their own for the first half, but couldn't hold the pace in the third quarter and fell back. A final rally fell short and Gonzaga went into the finals. The preliminary game to the finals found PLC taking the Cats, 63-55.

Captain Billy Lee and leading scorer Ken Teller were picked for the All-Evergreen Conference team with freshman Billy Baber receiving honorable mention as Central's only other candidate for the honors.

## Baseball

Baseball was again an official sport of the Evergreen Conference this spring. As of May 9, the Wildcats had a 3 win-1 loss record.

Arne Faust's Cats opened their '52 season with a couple of wins over Yakima JC, and then bowed twice to the strong, O'Brien-sparked Seattle U Chieftains, 14 to 1 and 6 to 1. It was against Seattle Pacific College that the Wildcats picked up their first official win, 4 to 0, after dropping the initial contest to the Falcons.

Going into league play, the Cats traveled to Spokane and split with the Whitworth Pirates. Central won the first game, 4 to 0, but lost the second, 6 to 5. The next week-end, in a return engagement, Central humbled the Whits twice on Tomlinson Field, 8 to 2 and 12 to 5.

Taking a breather from league competition, the Big Red met and defeated the Larson Air Force Base Sabres, 16 to 3. This loss ended a 10 game Sabre winning streak.

### BASEBALL SQUAD

First Row: Don Johnstone, Tex Mains, Ken Lukens, Dick Gemmill, Dick Armstrong, Bob Rogers, John Cavallini, Jim Miller.  
Second Row: Lloyd Conner, Bill Case, Gib Marshall, Russ Watkins, George Katalinich, Russ Nixon, Pete Anderson, Bill Hashman, Irving O'Grady.

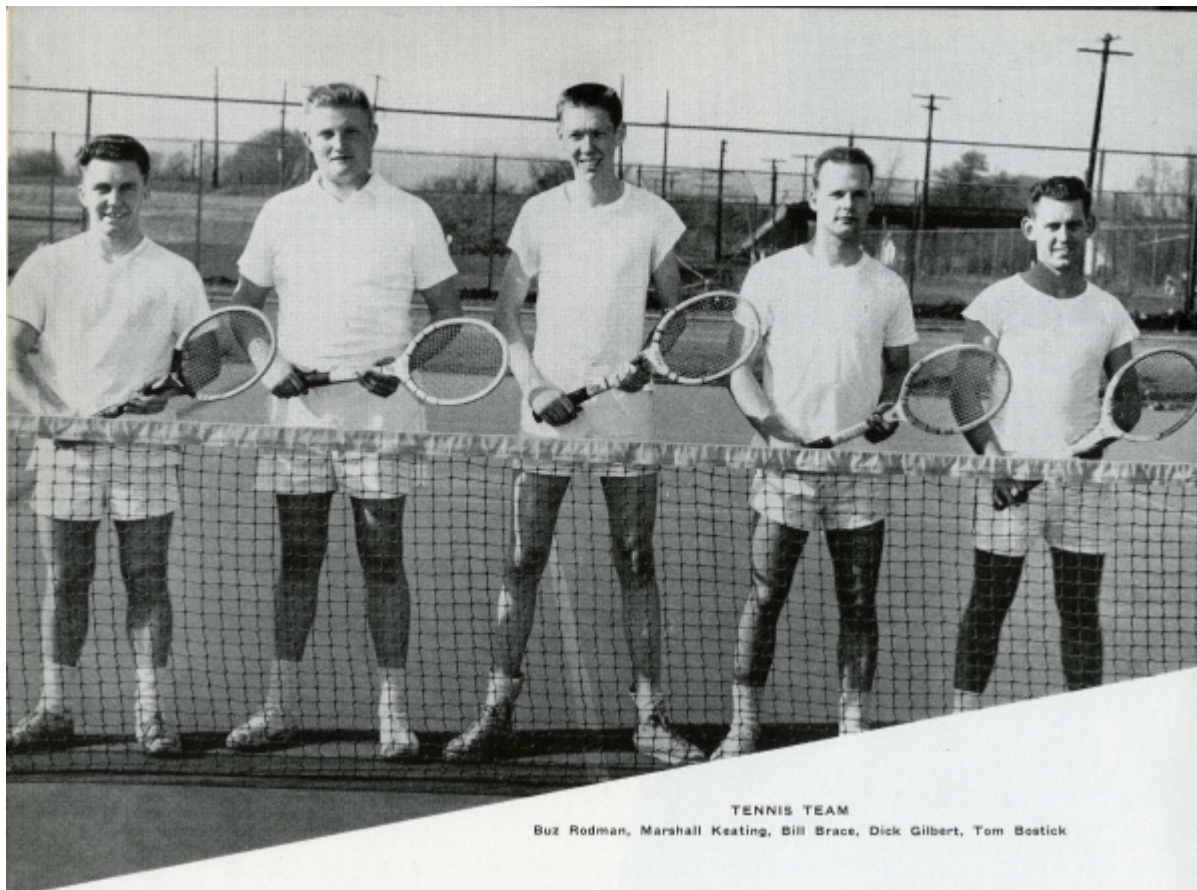

The 1952 edition of the Wildcat diamondmen had just six lettermen returning from the 1951 squad. They were Dick Gemmill, pitcher; Bud Kuhlman, shortstop; Russ Watkins, first base; Lloyd Conner, third base; Bill Case, center field; and Corky O'Grady, utility.

Many positions were highly contested this year. The left field slot was filed alternately by Bob Rogers, Jim Miller, and Corky O'Grady; the second base spot by Bill Hashman, Gib Marshall, and Don Johnstone; and the catcher's position by Wes Borreson and Pete Anderson. The usual line-up for the other posts were first base, Russ Watkins; shortstop, Bud Kuhlman; third base, Lloyd Conner; center field, Bill Case; and right field, George Katalinich, the only frosh to make the starting nine regularly.

The top chuckers were Russ Nixon, a lefty transfer from the University of Washington; Dick Armstrong, a transfer from St. Martins; Dick Gemmill, a junior; Texas Mains, sophomore portsider; and John Cavallini, a freshman.

Graduating from the squad in June were Conner, Case, Johnstone, O'Grady, Borreson, and Rogers.

TENNIS TEAM  
Buz Rodman, Marshall Keating, Bill Brace, Dick Gilbert, Tom Bostick

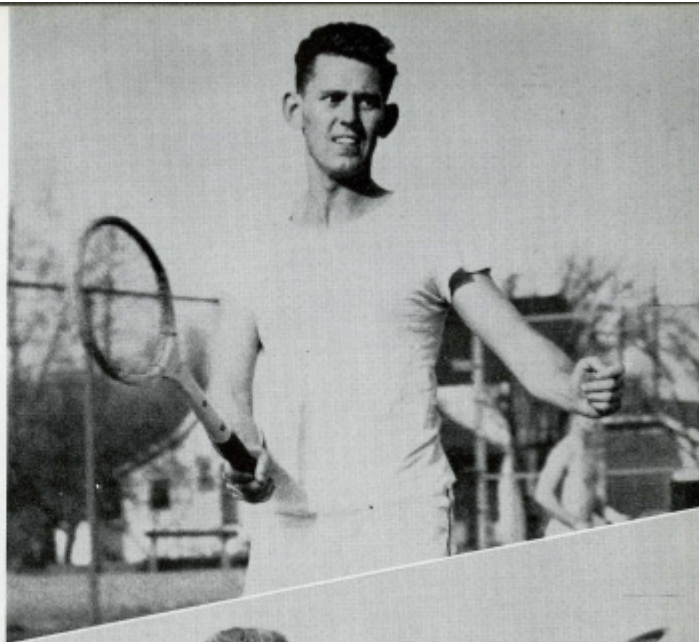

## *Tennis*

Central's tennis team was made up of four members of last year's team with but one newcomer to the squad. Netmen returning this year were Tom Bostick, Marshall Keating, Buz Rodman, and Dick Gilbert. The new member of the team was Bill Brace.

The schedule of meets for the racquetmen include matches with Seattle University, Seattle Pacific, Whitworth, Gonzaga, Eastern, and the Evergreen meet at Vancouver, B. C.

Leo Nicholson was coach of the team.

#### TRACK TEAM

First Row: Glenn Farris, Nelse Lunstrum, Bill Wilkinson, Jack Benner, Walt Thorp, Dave Duclaw, Andy Taggart, Chuck Wolther, Harry Lucas, Coach Monte Reynolds.  
 Back Row: Chuck Trimm, Arlie Eaton, Dick Hansen, Bob Vance, Noel Nelson, Lou Bogdonovich, Gordon Adams, Keith Davis, Gene Maitler, Brad Fischer, Herb Schmidt, Jim Skagen, Bill Jenne, Ray Adams, Bob White, Fred Ronhaar, Gary Hofstrand, Bill Repenahok, John Rothgeb.

## Track

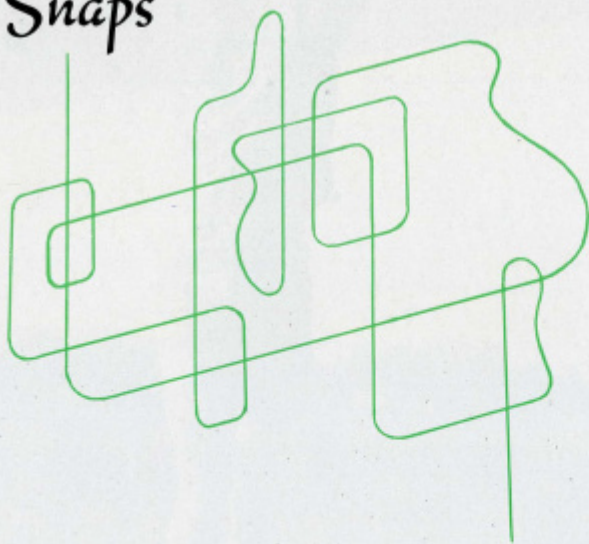

Central's track men, coached by Monte Reynolds, initiated a new nine-lane, quarter-mile cinder path this year and used it when the weather would permit. Two meets scheduled for the new field were blown out by heavy winds.

Although the triangular meet with Eastern and Whitworth, and the Evergreen Conference relays were cancelled by wind, the cindermen competed in a triangular meet with Eastern and Whitworth at Spokane, a dual meet with Seattle at Ellensburg, and the Evergreen Conference meet at Vancouver, B. C.

## *Homecoming Court*

This year, for the first time, all of the members of the royal court came from one hall. From Kamola's basement came Queen Carol Dennis, Princess Cami Boyd, and Princess Marilyn Dreher to reign over the 1951 Homecoming at Central.

Queen Carol, a junior from Wenatchee, is a blue-eyed blond majoring in business. Carol spent her freshman year at Washington State College. Being one of royalty was nothing new to Carol. In 1949, she was honored at the Wenatchee Apple Blossom Festival.

Princess Cami is a sophomore from Bothell. Cami, president of Dance Club, plans to teach home economics upon graduation from Central. This attractive princess has also been active in dramatics on the campus.

Princess Marilyn, who has the distinction of being the first co-chairman of the Homecoming committee to become a princess, is a senior from Port Orchard. Marilyn is majoring in education and plans to teach in the primary grades after graduation.

## Homecoming

Homecoming of 1951 was the biggest ever to be held at Central. The success of the event was due to the planning of the general chairmen Marilyn Dreher and Bill Case and the individual committeemen.

The annual celebration began officially with the mid-week Kick-Off Broadcast with Ken Moss as master-of-ceremonies.

Queen Carol Dennis and Princesses Cami Boyd and Marilyn Dreher were escorted to their places of honor by members of the IK's. Dr. McConnell placed the crown of authority on Queen Carol's head.

Following close on the heels of the Broadcast came two nights of stunts arranged to accomodate both students and alumni. The themes for Stunt Night this year were "Beat Western" and song titles. Prizes for Stunt Night were awarded to Kamola Hall, the junior class, and Maskers and Jesters.

Friday afternoon was declared a holiday so that students could complete work on floats and signs.

On Saturday came the big events of Homecoming when the annual parade was held and the Western-Central football game was played. In the evening the alumni banquet and semi-formal dance were given.

To draw the 1951 Homecoming to a close on Sunday, many breakfasts and luncheons were held by campus organizations to honor alumni and students.

Homecoming, one of the biggest weekends at Sweecy. Starting with the coronation, stunt night, annual contest between the Frosh and the Sophs, parade and the game on Saturday, Central really caught the spirit of the affair.

Alums and students enjoyed the gala, colorful affair and gathered many memories which will be longlasting.

Parades, banquets, dances, and music are some of the activities seen on the campus around Homecoming.

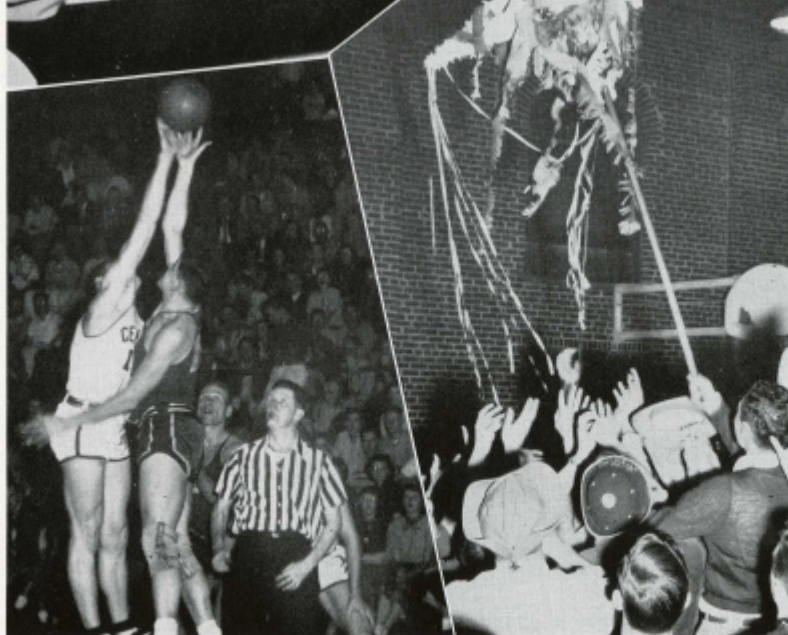

Lines, everywhere you go, this time it was for registration. It is one opportunity for students to get acquainted.

"What do we have, a circus?" It's just Kennedy's float for the parade.

One event to congratulate the Munson Frosh is the Private dance held in the fall.

"Hey men, don't you ever shave?"

"No. We are growing a beard for the Beard Growing Contest, you know there is a prize for every kind of beard." Poor Girls!

What do we have here, the pros washing the dishes?

Though the weather was sometimes cold, snowing and icy, Sweezy really turned out for the basketball games to support our team.

"Oh no, not roast again!"  
 "No string beans please!"  
 "Could I have more desert?"

This was the conversation in the dinning halls, while the serving crews tried to please, they also had to keep the lines moving.

Many Saturdays and Sundays were spent at Swauk skiing. There is an old saying, "Every one has their ups and downs." Kinda looks like this one is having his downs this time.

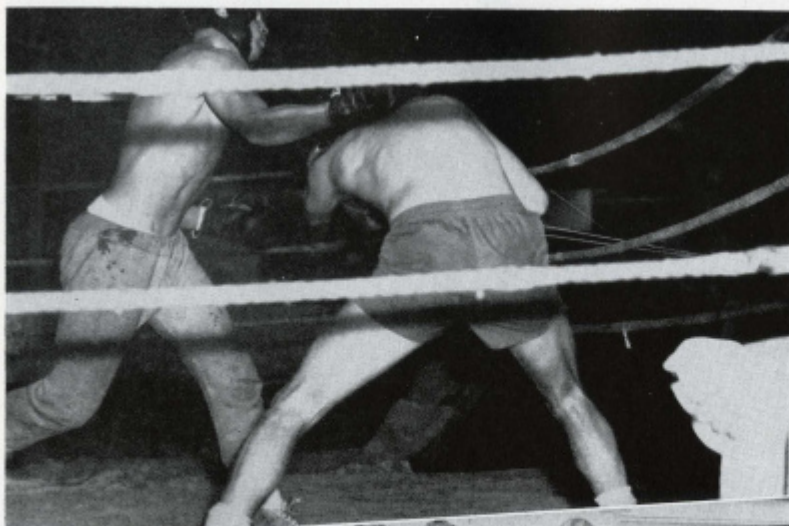

Gatherings, dances, and meetings, there is usually something going on at Sweetcy.

For the first time the R.O.-T.C. sponsored the Military Ball which will be an annual event. A queen was chosen to reign over the event. Every one looks forward to this gala affair.

A group of students, who were interested in international affairs attended a meeting in California, representing our campus.

Some other events that were held were the boxing exhibitions.

"Vote for Handsome Harry!"

"Put your change in the bottles, so your man can win!"

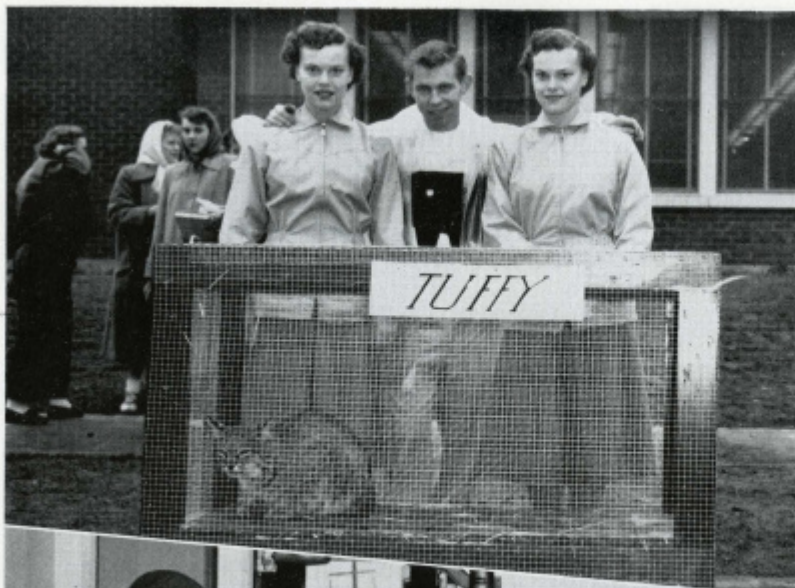

Brilliant winter formals, lighted Christmas trees, candle lighted tables, which gave the dancers a place to chat and watch the floor—this was the setting for the annual Associated Women's Snowfall tolo dance.

"Hey boys, what'cha working on?"

"Let's have a cup of coffee!" This was heard frequently over at the Inn while listening to your favorite records or visiting.

"Come on and yell! Let's show our mascot "Tuffy" that we are behind our team." Haven't you heard this before at the games?

Moving into the new men's dormitory was a lot of work-but worth it, just look at the new building, and you are its first occupants.

This year's Variety Show was tops. Central had a production that they should be proud of.

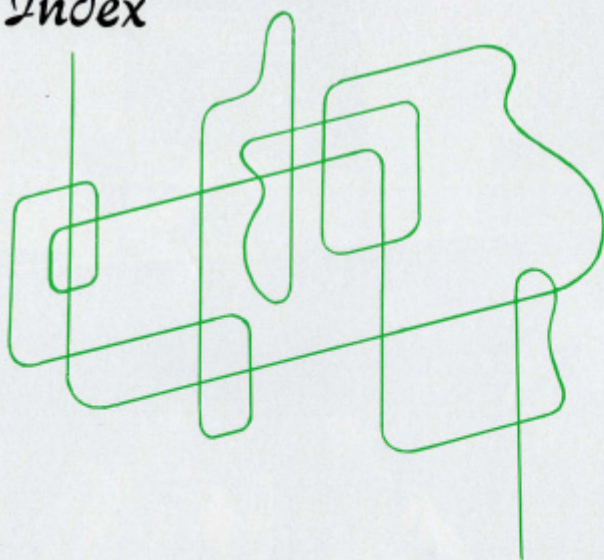

This is just to show you some of the fun that goes in to putting on a dance, decorations are a big factor and also provides a lot of work. Did I say work, looks like these girls are enjoying it!
